BALMY BEACH CLUB RUGBY ALUMNI 2003

Dear Balmy Beach Club Alumni,

It is with great pleasure that I introduce you to wonderful wines from my hometown and wine region of Robertson, South Africa. South Africa banned all sales of wine during the Covid pandemic last year and earlier this year again. Wine producers have been in survival mode since, just as we finish the 2021 vintage harvest. I worked with our importer in Ontario, Lusocape, and the Alumni office to facilitate a special mixed case of our Arendsig Single Vineyard Wines and make it available to you with some of the proceeds going back to the alumni and your projects!

Both Matt Zondagh and I still reminisce and dream of that 2003 season in Toronto with the amazing Balmy Beach Club, the members and fellow players who became great friends. A time in our lives we have not and will never forget! We are greatly appreciative to everyone we shared our time with back then and I cannot single out just a few. Your support in purchasing these wines will be very much appreciated. A chance to have a little bit of South Africa in your glass this summer. Up the Beach!

Lastly, for those who haven't seen it yet, here is my interview with alumni and friend Kyle Nichols from last year: https://www.youtube.com/watch?v=WKZKes6N8_Q
