Junior Boys Coordinator U14-U18 (3 Year Term)

The Junior Boys Coordinator is responsible for leading everyone associated with junior boys from U14-U18. The Junior boys coordinator will be responsible to the Junior Coordinator with a review of objectives every year. This will be conducted by the Director of Rugby and Junior Coordinator. Primary Responsibilities for the Junior Boys Coordinator includes ensuring that all junior girls programs follow our clubs philosophy, policies and guidelines. The Junior Boys Coordinator's primary objective is to direct, manage and deliver a structure that can support the development and transition of junior players that can play Senior Men's Rugby for the Balmy Beach Rugby Club.

In coordination with the Junior Director and club Director of Rugby, the Junior Girls Director will:

- Be responsible for coordinating junior boy's coaches including future recruitment, education and development.
- Develop succession planning to ensure that qualified coaches are appointed to the Junior boy's teams.
- Set behavioural standard policies for the junior boy's coaches and youth teams and members at the start of the season
- Be aware of all administrative procedures regarding player registration eligibility and safety
- Report to the Junior Director on rugby matters and make recommendations on improvements/ initiatives that need to be implemented.
- Coordinate with the Junior Director to book and schedule the junior programs on sufficient field space for all programs to function appropriately.
- Define, liaise and coordinate with the first team head coach and Director of rugby on the implementation and ongoing management of the Club's agreed playing philosophy for Junior and Youth Rugby and prepare them for the transition to Senior Rugby.

- Regularly attend junior executive meetings to provide updates on successes, challenges, and areas for growth in the junior section.

- Liaise and communicate with Youth Sponsors when appropriate
