Ted Reeve Hockey Association is proudly celebrating its **65th** Anniversary this year. As part of the celebrations this fall, we will be having an Alumni party that will kick off the weekend festivities on **Friday October 4th at the Balmy Beach Club, from 7pm to Midnight.**

From House League, Selects and the GTHL, Ted Reeve Hockey Association has been the home for so many players over its 65 years and this night will give you an opportunity to reunite with teammates from the past and rekindle all the great friendships that were made over those years.

Tickets go on sale in early September and are \$65 each. There are a limited number of tickets so if you are interested, or have any questions, please send me an email at: tedreeveselects@gmail.com. Reserve now before the tickets are gone.

I am also helping with the collecting of photographs, etc, for the occasion, so if any of you have some photos, etc that we can scan and have on display for the evening, send them to me at: rick.chambers@tbs.toshiba.ca.

Rick Chambers – Director – Ted Reeve Selects
